

# Party Slates Completed For County Primaries

## Harmony Ticket For Republicans

The Cook County Republican committee last week, endorsed a county slate of so-called harmony candidates for the April primary. The slate as endorsed by the county committee is as follows:

County judge—Former Municipal Judge Theodore F. Ehler, 18th ward.

Probate judge—Robert W. Dunn, committeeman of the 44th ward.

Sheriff—Former City Clerk Patrick Sheridan Smith, committeeman of the 6th ward.

County treasurer—Former Municipal Judge George A. Curran, 37th ward.

County clerk—Leslie P. Voiz, 40th ward.

President of the county board—Henry D. Lindblad, committeeman of the 17th ward.

Assessor—Raymond J. Peacock, committeeman of the 39th ward.

Board of tax appeals—Charles R. Hussey, Forest Park, and Philip Mitchell, 20th ward.

Probate court clerk—William John Granata, 27th ward.

Appellate court clerk—Felix F. Kucharski, committeeman of the 12th ward.

Criminal court clerk—Dr. Otto Larsen, 50th ward.

County Commissioners from the country towns (five to be elected):

William Busse, Mount Prospect; George A. Miller, Oak Park; William N. Erickson, Evanston; H. Wallace Caldwell, Oak Park; Carl J. Jackson, Blue Island. All are incumbents.

No candidate was endorsed for County Supt. of Schools, it being understood that the county town committeeman will select a candidate for that office providing they can find one who thinks he stands any chance of being elected.

While the republican county slate is heralded as a harmony ticket, many republicans have stated flatly that it falls far short of being the sort of a ticket that can hope to get anywhere in the November elections and that outside of the County Commissioners from the country towns, there appears no chance of landing any candidates in county offices in November.

**NIXON GROUP  
COMPLETE OWN TICKET  
FOR COMMISSIONERS**

The campaign for Republican nomination for members of the Cook County Board of Commissioners outside of the City of Chicago was opened Tuesday night at a meeting in Proviso township by the five candidates opposing the sitting commissioners.

The meeting brought the first announcement of the candidates who will make the race for the nomination. The ticket is headed by George F. Nixon, who declined the endorsement of the Cook County Central committee and who is running with the following candidates for county commissioner:

George F. Nixon, Glenview Road, Glenview, Illinois.

Alan E. Ashcraft, Jr., 731 Forest avenue, Evanston, Illinois.

Fred A. Fulla, 1445 Ashland avenue, Des Plaines, Illinois.

Kurt Berliner, 1117 Troost avenue, Forest Park, Illinois.

L. Thomas Pelnar, 2102 S. Wesley avenue, Berwyn, Illinois.

Nixon, who is a past president of the Chicago Real Estate Board and the Illinois Association of Real Estate Board, has taken an active interest in civic affairs for many years. He is engaged in the building of homes on the North Shore at the present time and is a resident of Glenview. It was Nixon, who as a member of the Board of Tax Appeals made the 15% reduction in taxes on all homes in the county and who has for years, led the fight for lower taxes and less spending on the part of elected officials.

Ashcraft, is a member of the law firm of Ashcraft and Ashcraft and is serving his second term as a member of the Evanston City Council where he is chairman of the committees on relief and auditing.

Fulla, is a member of a pioneer Maine township family and is the owner and publisher of the Des Plaines Suburban Times, the Park Ridge Herald and the Edison-Norwood Review. He has served two terms as alderman of the Des Plaines City Council. He is a past president of the Lions club and past Exalted Ruler of the Elks. He is a member of the Illinois Press Association and vice president of the Cook County Suburban Publishers association.

Berliner, who resides in Forest Park was born and raised in Proviso township. He is president of the Berliner Monument company and for eight years was the Commissioner of Public Health and Safety of the Village of Forest Park.

Pelnar, who attended the Universities of Illinois and Chicago, is an attorney with offices in Cicero and Chicago and is a member of the Bar Association. He has for many years been active in civic affairs of the western suburb.

## N. J. Puffer Certain Of Re-election

**School Superintendent  
Endorsed by Democratic  
Slate Makers**

Noble J. Puffer of Palatine, County Supt. of Cook County Schools, has received the endorsement of the Democratic slate makers for re-nomination to that office.

That endorsement means that Mr. Puffer will be re-elected next November.

The Republicans have not as yet slated any candidate for that office and it seems doubtful if anyone will want to make a futile race just for the glory of running.

During his term of office Mr. Puffer has made many friends regardless of party connections and his administration of school affairs has met with the approval of school men and public throughout the county.

It is Mr. Puffer's belief that the schools of today should educate the children for their future contacts with life and with that aim in mind he has carried on the work of the rural schools, ably assisted by a corps of assistants who could carry out his ideals.

In the establishment of the "Bookmobile," the traveling library which regularly visits the rural schools of the county, Mr. Puffer has brought a vast amount of pleasure and education into the lives of the children of the rural areas.

This library service has been much appreciated and is rapidly growing in popularity. It is just one of the common sense ideas of "educating the children for life" which Mr. Puffer is putting into effect in the county schools.

With his fine record in the administration of Cook county's schools and with the endorsement of the Cook County Democratic organization, the election of Mr. Puffer for another term is a foregone conclusion and even the old time Republicans concede that election.

Mr. Puffer is an active member and past president of the Palatine Lions club and is keenly interested in the civic and social affairs of his home community.

**High School Band  
Increases Membership**

The high school band is very busy these days preparing for a number of concerts this coming spring season—the first of which will be the open house Friday, Feb. 4 at 7:45 in the high school auditorium.

New members recently taken into the band include: Robert Jensen, John Hartin, Geo. Meyer, Leonard Milka, Tom Jarvis, John Otzen, Robert Briggs, Jack Moodie, Chas. Daggett, Phillip Kaiser, Jerome Sycen.

This year's beginners band is unique in that most of the 30 members are girls, many of whom have studied piano and voice, and are doing real well with the band instruments. This new organization will make its first appearance at the high school open house Friday, February 4 at 7:45.

**George H. Franzen  
B'ville Lumber Dealer,  
Dies After Operation**

George H. Franzen, head of the Geo. H. Franzen Lumber Company at Bensenville, died Saturday night following an operation for tumor on the brain. He was 60 years of age.

Mr. Franzen was well known in this vicinity, having been in the lumber business here since he was a young man.

Funeral services were held Tuesday from Friedland's church in Bensenville.

**Bensenville Man Found  
Dead In Wrecked Auto  
Near Wood Dale Sunday**

John Schoppe, 58 year old resident of Bensenville, was killed in an auto accident early Sunday morning at the curve on Irving Park boulevard, midway between Bensenville and Wood Dale. His crushed body was found by motorists at one o'clock in his car which had left the road and had crashed into a telephone pole.

Inquest was held at the Geils Funeral home Tuesday and a verdict of accidental death due to skull fracture was returned. Schoppe was traveling east and it is believed that he either lost control of his car, a 1926 Buick, or he failed to see the curve in the road.

He was janitor of the Tioga school in Bensenville where he had served for a number of years.

## BUSINESS MEN TO ENTERTAIN THE LADIES

As the Herald goes to press N. M. Latoff and his committee, composed of the board of directors of the Arlington Heights Trade and Civic association, are meeting at the municipal building laying plans for a big banquet and fine entertainment for the business and professional men and women of Arlington Heights.

## State Police Hold Up U. S. Mail

Central Wisconsin Motor Transport Co., who hold a contract with the United States Post Office department for the transportation of parcel post between Chicago and Minneapolis by truck, discovered Tuesday night that the U. S. mail means nothing to the Illinois State cops when the truck that is transporting it, is over loaded. The police held the truck at Mt. Prospect from ten p. m. until four a. m., before it was allowed to proceed.

The telephone wires between Arlington Heights Springfield, Chicago and Wisconsin buzzed before the release was accomplished. The cops were the winners.

As is required by law they demanded that the 2,000 pound overweight be removed from the truck. As the truck was sealed because of the U. S. Mail, the truck attendants had no authority to break the seal.

The state police had the backing of their superiors in their demands and finally a relief truck with a representative of the postal department arrived; the seal was broken and the overweight was removed. Judge C. M. Behrens officiated during the proceedings losing several hours sleep.

**Scouts To Qualify  
For Advancement  
At Court of Honor**

Scout Courts of Honor that will be held next week in the three Districts of the Northwest Suburban Council Boy Scouts of America for the purpose of presenting the awards earned by the Scouts, will be attended by the largest number of Scouts in many years.

These Courts of Honor are being held as a part of the Boy Scout Anniversary Week celebration and are being held by Districts in order that more awards may be presented in the Scouts own community.

The Court of Honor for the Central District (Des Plaines, Mt. Prospect, Arlington Heights and Wheeling) will be held Wednesday evening, February 9, at the Des Plaines Junior high school at 7:45 p. m. Troop 25, sponsored by the men teachers of Des Plaines public schools, under the leadership of Scoutmaster Henry Stamm will serve as the host Troop and conduct the opening and closing ceremonies.

Mr. E. R. Selleck is chairman of the Central District Court of Honor and he will preside at the meeting. Other members of the Court of Honor are: Harry Dooley, S. H. Rosenthal of Des Plaines, G. S. Crawford of Mt. Prospect, C. V. Baker of Arlington Heights and John Barrett of Wheeling.

All parents and friends of Scouting and the general public are invited to attend this Court of Honor and all Scouts whether or not they are receiving advancement are expected to be present.

The Scouts who have qualified for advancement from Arlington Heights are as follows:

Second Class, Troop 7—Marvin Russell, Norman Russell, Nicholas Mayer, Robert F. Bittner.

Merit Badges, Troop 7—Jack Moodie, Scholarship; Robert Eich, Reading, Handicraft; Howard Bittner, Wood Turning.

Second Class, Troop 5—Roger McElhose, Royce McWhorter, Joe Smart, Jack Aldrich, Lawrence Knaack, William Nimmman, Kenneth Wells, James Coughlin, Jr., Orville Kurtz, Harry Smart.

**W. C. Lussman Attends  
Rexall Convention**

W. C. Lussman, proprietor of the Sieburg Drug Co., Arlington Heights, attended the Rexall convention at Milwaukee, Wis., Tuesday and Wednesday of this week.

This is an annual event for Rexall druggists and Mr. Lussman expects to bring back many new ideas that will improve the service his store offers.

**Benefit Club To  
Meet Friday Night**

Arlington Heights Benefit Club will hold its regular meeting Friday evening at 8 o'clock at Sadecky's hall, Arlington Heights.

All members are asked to be present as it is an important business meeting.

## Democrats Split On County Slate

The democratic ranks have been split wide open during the past week during the sessions of the Cook county slate making committee.

The two outstanding events that set off the works in the democratic party were the shelving of County Judge Edmund K. Jarecki after 16 years as county judge. The slate makers denied Jarecki endorsement for another term.

Judge Jarecki had been active in punishing election crooks and in ruling on illegal tax levies and had evidently incurred the displeasure of the machine.

The Judge announced that he would be a candidate anyway and expected to be nominated and elected.

The other outstanding upset was the shelving of county treasurer, Horace G. Lindheimer who aspired for his party endorsement for sheriff.

Just when it looked as if Lindheimer would be the selection for sheriff boss, Pat Nash put his foot down and forced the selection of Congressman Thomas J. O'Brien, a personal friend of his for the job.

Democratic ranks have been severely shaken by these two upsets.

Lindheimer, as county treasurer, has made one of the finest records of any treasurer in the history of Cook county.

He has put the office on a basis of efficiency and service to the taxpayer never before seen in that office and he has made a host of personal friends regardless of party. Among the present office holders endorsed for renomination are the following:

President of the County Board, Clayton F. Smith; County commissioners (from Chicago), Maurice F. Kavanaugh, Elizabeth A. Conkey, Daniel Ryan, Mary McEnerney, Fred Fischman, Frank Bobrytzke and John E. Traeger.

**Flynn on the List**

County Clerk, Michael J. Flynn; County Assessor, John S. Clark. Members of County Board of Appeals, Emmett Whealan and Paul Drymalski.

Probate Judge, John F. O'Connell.

Probate Clerk, Mitchell C. Robin.

Criminal Court Clerk, Thomas J. Bowler.

Appellate Clerk Sheldon W. Go-vier.

County Superintendent of Schools Noble J. Puffer.

Nominating petitions for the above candidates are being circulated by local Democratic workers.

**Boys, Girls To Learn  
Farm Accounting At  
Farm Bureau Office**

Any farm boys—or girls for that matter—between the ages of ten and twenty, who care to enter the 4-H Farm Account School which will be held for beginners at the Arlington Heights Farm Bureau office February 5 at 1:00.

These members may keep a detailed farm account record of the transactions on their own farms and close them up at the end of the year. Doubtless there are a number of boys that would be interested in knowing the financial status of the home farm who would like to enter this particular club project.

## Legion Host To Boy Scouts

**Meeting of Post  
Turned Over To Boys  
During Scout Week**

The week of February 6-12 is Boy Scout Week throughout the country and Tuesday, Feb. 8, is the birthday of the Boy Scouts of America.

It so happens that this night is the regular meeting night of Merle Guild Post, the American Legion Post of Arlington Heights, and as the Post is sponsoring Boy Scout Troop No. 5, what would be a fitting time to invite the boys of this troop to this meeting and make it a special Boy Scout night?

It is expected that the entire troop of 25 boys will attend and the troop will suspend its meeting and turn the meeting over to the boys of the troop for their special ceremonies appropriate to the occasion.

Also during the meeting the post will officially present to the troop an American flag and the official boy scout flag.

The boys of the troop will also "show their stuff" for the benefit of the Legion boys in the way of some of the worthwhile things they have learned as boy scouts.

It is said but true that quite a number of the Legion boys have not had the opportunity of seeing their own troop perform and the troop has made such wonderful progress during the last few months under the able leadership of the new scout master, Norman Fink of Arlington Heights, that the Legion boys are going to get the surprise of their lives.

A lot of them are going to see for the first time the real, practical good the Post is doing by sponsoring this Boy Scout Troop. What is more worth while than building character, sound minds and bodies in the young boys of our community?

All Legionnaires and ex-service men are cordially invited to attend this meeting and it is expected that there will be a large turn-out for such an interesting and worthwhile program.

In addition to Scout Master Fink, this special program is being prepared by Les Griffith, chairman, Warren Parker, Bob Knox, and Harvey Daggett, members of the post's Boy Scout committee, and George Palmer, commander of the post.

**Wheeling Democrats  
To Meet Monday Night**

Wheeling Township Democratic organization will hold its regular monthly meeting Monday, Feb. 7, 1938, at 8:00 p. m., at headquarters, Meyers Park, Arlington Heights, Ill.

Mr. Jack Sheer, assistant to Thomas J. Courtney, State's Attorney of Cook county, will be the principal speaker.

The regular organization meetings are held on the first Monday of each month and the general public is invited to attend as things of general interest are discussed at each meeting.

**"Open House" At High  
School Friday Night**

Parents' Night program will start promptly at 7:45 p. m. in the high school auditorium with a short program by the two bands. After several brief talks the building and numerous exhibits will be open for inspection.

All parents should take this opportunity to visit the school and obtain a closer relationship with the teachers, as well as to enjoy the program and various exhibits.

Because of the limited capacity of the Auditorium, high school students are not being invited to attend unless they are required on some part of the program.

## No More 'Cranks' In Palatine

**Bell Telephone System  
Introduces Modern  
Phone Service Feb. 17**

Illinois Bell Telephone company is introducing a modern phone service in Palatine at 2:30 p. m., Thursday, February 17.

No longer will the community use the "crank" in making its phone calls, but will contact the operator by merely lifting the receiver.

Company representatives are calling upon its patrons to make the necessary temporary changes. Shortly after the change of the new service, the telephone will be replaced with a new type of instrument.

New central office equipment, of the most modern design and engineering to meet the requirements of Palatine for years to come, has been installed at 17 No. Broadway street, Palatine.

**Walther  
League  
To Rally**

Youth of today face problems and temptations that were never thought of by the older generations. How can youth be guided and instructed to conquer these problems, to face temptation without wavering, to meet discouragement and not fail, to see faithfulness and not lose faith?

An outstanding example of the training and guidance of its youth will be demonstrated Sunday, Feb. 6, by the Lutheran church when the winter rally of the Walther Leagues of the Northwest Suburban Zone will be held. The rally will begin promptly at 3:00 o'clock in the St. Peter's Lutheran church of Arlington Heights.

Here will be discussed the church work as carried out by the local societies, the zone, the district and the international. The regular business of the zone will be transacted, and reports on all phases of zone work will be given by the various zone officers. Any problems arising will be presented and solutions suggested. Any new project to be undertaken by the zone will be presented, discussed and methods for carrying out this project discussed.

Following the business meeting, a supper will be given in the school basement and the evening's entertainment will be presented in the school hall. The entertainment should please the most critical and an enjoyable evening will be had by all who may attend.

This rally will, no doubt, break all records for attendance at zone rallies. The local societies have a reputation for conducting successful rallies and the coming rally will, most certainly, uphold this reputation. This will be the largest and most successful rally in the history of the Northwest Suburban Zone. If you have a "doubting Thomas" complex, we will show you, if not come anyway and have a good time.

**Local Attorney  
Announces Office Hours**

Anthony Thomas Scolaro, attorney at law, wishes to announce that he will maintain office hours from 6:30 p. m. to 9:30 p. m. Monday to Saturday inclusive. Office hours will be maintained at 6 S. Vail, the former home of the Cook County Farm Bureau and present office of O. G. Barrett. Phones, business 711, residence 256.

## Last-Minute Preparations Speed Cooking School

**Convention of Neighborly Homemakers  
Will Be Welcomed by Paddock Publications  
February 9 at the Arlington Theatre**

"The best things in life are free! And so is the Paddock Publication's fascinating and different Cooking School that is just around the corner, opening in Arlington Theatre. Last-minute plans are being completed, even as this paper goes to press.

No opening bells will be needed for the eagerly-awaited, three-day school, brimming with novelty, romance and practical appeal, for advance indications point to a capacity convention of homemakers.

Men have their annual conventions, where they listen to lectures from specialists, experts who have devoted years to studying and experimenting along constructive lines. There the crowds of business men get a fresh viewpoint on their job, new ideas and enthusiasm to carry back to work.

Now comes this practical rally of homemakers to contribute fresh perspective for the "same old job," the monotonous day-in-and-day-out job, yet the most important business in the world.

The feminine convention delegates may not pound on glasses and sing pep songs, but they will get up-to-the-minute news on every phase of household lore, and they will hear from specialists in their own field, who will direct an inventory on simplified methods, routine products and latest equipment.

pointing the easy road to smooth home management.

They may seem like a tall order for one motion picture, but this entertainment is no ordinary film.

True, it was cast, directed and filmed in a famed Hollywood studio, but it was assembled thoughtfully and patiently to bring more than passing amusement. Everyday happenings were dramatized in the sound plot. Behind the sparkling humor and suspense that are so necessary to screen stories, was a deliberate plan—an ambitious determination to carry instruction, inspiration and worthwhile home news to women in every community.

The camera and the home specialists got together on their vigorous investigation, and Paddock Publications was quick to snap up the chance to offer the interesting result.

Never has the camera been more faithful than in this motion picture Cooking School. Never has a model kitchen been portrayed so accurately and in such detail.

The camera took its time and it took its close-ups, so that every person in Arlington Theatre will have a "large as life, and twice as natural" view of each operation. There will be no "orchestra circle" at this entertainment, since the back row guests of Paddock Publications

# Arlington Society and Club Events

## Parties And Clubs Keep Arlington Heights People Busy

Each week finds the calendar of Arlington Heights women busy with club and social activities. Mrs. Neal Graham and Mrs. R. R. Sauer of Skarsdale entertained ten friends Wednesday for a "Brunch" party which is neither a breakfast nor a luncheon, but a combination of both, the hour was 11 o'clock and the guests attended woman's club in the afternoon.

Mrs. M. Grigsby entertained several friends for a dessert luncheon last Friday. Bridge was played at two tables.

Mr. and Mrs. H. I. Haugen of Stonegate were hosts to sixteen friends Saturday evening. Bridge was played and the hostess served a Chinese supper at midnight.

Mrs. Wilson entertained her bridge club Tuesday afternoon for dessert and cards.

Mrs. E. A. Taylor was hostess to her club Friday afternoon, bridge was played at four tables and a dessert luncheon was served.

Mrs. Brynaldson was guest of honor at a meeting of the St. Victor's Choir, at the home of Mrs. B. Therslev of Chicago, Wednesday evening.

Mrs. H. I. Haugen was hostess to her bridge club for dessert Wednesday.

Mrs. Walter Schuett attended a literary tea at the Portage Park Woman's club, held at the Wilson Park Field house, Tuesday afternoon and heard Dr. Preston Bradley review the book "The Importance of Living" by Ling Yutang.

Miss Dolores Lama of Chicago, was a dinner guest at the Lama home in Stonegate last Thursday evening.

Mrs. L. Platt entertained the Ideal club Thursday of last week. The evening was enjoyed at cards and the hostess served a delicious luncheon in the evening.

### P. T. A. Council Meeting To Have Outstanding Program

The program of the Parent-Teacher council meeting which is to be held in Des Plaines on February 11, is one of unusual interest to all parents of children. The speakers are to talk on subjects which are giving the mothers of today great concern, that of "The Effects of Movies on our Children," which will be given by Dr. Howard Lane of Northwestern University, and a panel discussion will be held under the leadership of Mr. Sellock of the Des Plaines schools, on the subject of "Radio Listening in the Home." These are two of the important problems facing the intelligent mother, and valuable advice will no doubt be given in regard to these problems. Several other interesting discussions will take place and the all day meeting promises to be well worth attending. Luncheon will be served at noon for 40 cents. Reservations may be made for lunch or transportation by calling the local P. T. A. president, Mrs. Rex Volz, tel. 456.

### Slides To Be Shown At Garden Club

The Arlington Heights Garden Club has completed plans for a very enjoyable meeting to be held next Wednesday evening, at the Village hall.

W. E. Cunningham, a graduate of the University of Chicago, who holds a masters degree in Botany from the University of Illinois and who for the past 14 years has been connected with the public school system in Highland Park, will show colored slides of "The Wild Flowers of Illinois."

These pictures, photographed by himself and tinted in their natural colors, comprise one of the largest and best collections ever shown to the public.

Now that spring is approaching it is a very opportune time to become acquainted with our wild flowers and learn to appreciate their loveliness. Arlington Heights residents are fortunate to have the forest preserves so near where in springtime so many of these beautiful flowers abound in their natural setting.

Mr. Cunningham's pictures are in great demand and the club is indeed fortunate to secure him at this time. Anyone interested in flowers and particularly wild flowers is cordially invited to attend this meeting and to affiliate himself with an organization that is trying to uphold and promote the culture of flowers.

### Club Calendar

Feb. 10, St. James card party, 8 p. m. Catholic hall.  
March 17, Gleaners dessert luncheon.  
February 18, card party of Junior Aid of Presbyterian church.

### "Opera and Its Composers" Subject At Woman's Club

Mrs. Herbert Worfel of Joliet, Ill., spoke about "Opera and Its Composers" and played well known and representative selections from many of them, for the members of the Arlington Heights Woman's club, Wednesday afternoon, Feb. 2, at the club room in the Methodist church.

Mrs. Worfel is a well known musician, as well as a prominent club woman of the 11th district of the Federation of Women's clubs. She has served as district chairman of music and is now state chairman of the Art committee for American association of University women.

Mrs. Worfel told of the early history of opera and a little of the life story of its composers and brought her subject up to the present time and described American Operas and their authors. The club members were made to realize how familiar many parts of various arias are, when Mrs. Worfel played selections from different operas.

Chicago is fortunate in having a copy of the first Opera ever written, placed in the Newberry Library of Chicago. It is the superior copy of the only two in existence and can be seen by inquiry at the library.

The hostesses for the afternoon were Mrs. Wm. Ewert and Mrs. H. Busse.

Club members are urged to keep the date April 13, for the club's spring luncheon.

### Safe Use of Leisure Carries Safety Theme Of P. T. A. Forward

It has been said by one of our leading judges that the radio, the rumble seat and the roadhouse are the new three R's of education. It is true that no other generation has faced such social complexities as our present generation is facing. Our duty as parents and teachers of the boys and girls of today is to guide them so that they shall advance into the good life which is the creative and recreative life, so says a State chairman of Recreation of the Parent-Teachers Association. This phase of Parent-Teacher work will be discussed at the February meeting of the local P. T. A. on Feb. 15, at the south school. Mr. George Volz of the Park board will speak. Mrs. M. Grigsby, P. T. A. Better Movie chairman, will speak on "Movies." Miss Wilda Martin, radio chairman, will speak on radio listening, our local librarian, Mrs. Baxter, will talk on "The Local Library." These topics will all be short, but are of great importance to the recreation life of the child. There will be an exhibit of leisure time activities and music by Miss Cunningham.

### American Legion Auxiliary Notes

The regular monthly meeting of Merle Guild Unit No. 208 was held at the Legion house Tuesday evening, February 1.

Mrs. Jones, chairman of Americanization, read a very interesting article on the writing of the Star Spangled Banner, by Frances Scott Key.

The monthly business meeting of the Cook County Council will be held Feb. 14, at the Hotel LaSalle. The rehabilitation conference for area D, will be held on Feb. 3 and 4 at the Hotel Sherman.

The February social meeting will be at the home of Mrs. Wisersky, 229 So. Walnut avenue, Feb. 15, at 1:30 o'clock. Anyone not wearing a red heart will be fined 25c.

### Celebrate Golden Wedding Anniversary

Mr. and Mrs. Andrew Duthorn, 703 N. State Road, Arlington Heights, celebrated their fiftieth wedding anniversary in a reenactment of the ceremony at the St. James church Saturday morning at 9 o'clock. A large number of friends and relatives attended. A dinner was given to sixty guests in the evening at the school hall.

Ladies of the auxiliary of the V. F. W. Post No. 981 of Arlington Heights and their husbands surprised the couple later in the evening and brought many gifts. Dancing to Ralph Stippick and his orchestra followed the banquet.

Mr. and Mrs. Duthorn came to this country 45 years ago from Germany. Mr. Duthorn was employed at the Arlington Seating Company, formerly the Peter and Volz foundry, for 10 years and at the Creamery Package Company for 30 years. He also spent several years with the C. & N. W. railroad.

The Duthorn family consists of four sons and one daughter, and two grandchildren. A brother of Mr. Duthorn resides in Hampshire, Illinois.

### St. James Mothers Club To Give Card Party

The St. James Mother's Club will give their second annual benefit card and bunco party on Thursday evening, February 10, in the school auditorium at 8 p. m.

Attractive door and table prizes will be given away. Various committees are headed by Mrs. Ross and Mrs. Sullivan who have charge of tickets; Mrs. Hoss, prizes; Mrs. Jacobs and Mrs. Ekkebus, refreshments. Mrs. J. J. Hohmann is general chairman. Plan to fill a table.

### O. E. S. Notes

The card party held by the O. E. S. chapter of Arlington Heights was a success, last week, and the members are to keep in mind the Valentine party which will be held for members at the stated meeting on February 10 at the Presbyterian hall, at 8 p. m.

### Gleaners Circle Meets

Gleaners Circle of the Methodist church met at the home of Mrs. Wm. Harth last week with Mrs. Thomas assisting. It was decided to hold a dessert luncheon on March 17, details to be printed later.

### Birthday Parties

Alberta Hines, who was nine years old last Saturday, celebrated by entertaining fifteen friends, at a Valentine birthday party. The decorations and refreshments were in keeping with the day. James Pecchia celebrated his seventh birthday by having several of his little friends come in for a party after school on Wednesday.

### Birthday Surprise

Mrs. Louise Annen was a surprised hostess to a group of friends who came in to wish her a happy birthday last Thursday afternoon, presenting her with a lovely gift. "500" was played. Refreshments were served. The afternoon came to a close all too soon.

### Church Organ Moved

The organ in the Methodist church has been moved up to the choir loft. One had a feeling before that a couple of Boy Scouts with signal cags were almost necessary when the organist wished to communicate with the choir.

Mr. Frank Wasser did the structural work and Mrs. Plumly and Mr. Wolf contributed for the materials that were used.

Mr. Paul Patrick has made three fine serving tables for use in the church dining room. These will be particularly useful when large dinners are served.

## News Reel of the Elementary School

### ASSEMBLY PROGRAM HELD

The first assembly of the North School was held January 28 at the Presbyterian gymnasium. A short executive board meeting of the Student Council was held for the children's approval. Due to Marjorie Hardie's absence, Ruth Heuer acted as secretary. Marjorie Moodie conducted the meeting in which the board decided to ask the students' approval to give school awards for something outstanding done during the year.

A program was given after that. The Master of Ceremonies was Donald Oefelein. The grade school orchestra played a selection. They showed considerable improvement from the beginning of the year. They played so well that the children applauded till Donald promised that they would play at the finish of the program.

Joyce Brown, accompanied by Marjorie Moodie, sang a popular selection. James Jirak played two selections on his guitar, followed by an encore. Donald Oefelein then gave a humorous monologue, after which the orchestra played again.

### "HANSEL AND GRETEL" TO BE PRESENTED

"Hansel and Gretel," the musical form of the old story-book favorite, will be presented by the students of the Public Elementary Schools at

the high school auditorium on the first day of April.

Marvin Russel has been chosen to play the role of Peter; and Gertrude, his wife, will be Margaret Allison. Hansel and Gretel, the children, will be played by Royce McWarner and Marian Hardie, respectively, while Ruth Mary Kuebler will take the part of the Cookie Witch.

The Angels are Dolores Henke, Marion Helfers, Barbara Wendt, Harriet Bartholomew, Jane Hayes, Carol Peter, Lillian Allen, and Dolores Heid. Beverly Peterson, Dorothy Morici, Rosemary Heller and Elsie Klages will assist the Cookie Witch in her witchery.

Mrs. Lillian Mitzlaff, assisted by Miss Lavina Jansen and Mr. Melvin Anderson will have charge of musical direction. Miss Evelyn Jackson will supervise the dramatists.

The chorus will consist of the students with the best vocal possibilities from all grades.

### A SLEIGH RIDE FOR DRAMATIC CLUB

A sleigh ride will be given by the Dramatics club for its members the first day of the weather permits. The members will meet at the North School and ride in the sleigh from 7:00 to 8:00 p. m. From the sleigh they will go to the home of Wilson Wensley where they will have refreshments. They will be at home at 9:00 p. m., if it is a school night. Miss Jackson and Miss Martin will chaperone the group.

Beulah Burkitt,  
Eighth Grade

After the end of every semester, a group of spelling tests are given to the pupils. It has been said by Mr. Vannerbeek that as long as he has been teaching the eighth grade there has never been a pupil who has written a perfect paper.

So far five tests have been given and four people have yet to miss a word. They are: Ruth Heuer, James Jirak, Marjorie Moodie, and Esther Simon.

Two more tests will be given and it surely looks as though at least some of these people are going to turn out champs. At any rate we hope so.

James Jirak,

### FIFTH GRADE NEWS

The fifth grade of the South school are bringing news to school from the newspaper. We read it, then put it on the bulletin board.

We bring pictures of floods, and other interesting news of the day.

We have been writing some stories about the games we play. Here are two of them:

### Playing Cowboy and Indian

Billy and I play cowboy and Indian together. Billy was a cowboy, and I was an Indian. We went into the field together. He was going to shoot a rabbit, but he missed and shot a tree.

Leonard Garms,  
Third Grade,  
North School

### Playing Mother

One day I played with my neighbor, Jean. We played house. We played our dolls were babies. I played that she was the mother, and I was the sister. We had long dresses and purses. We had a tea party, too. I fell all over in my long dress.

### FIRST, NORTH

The first grade children have been reading in their library. Some children have read three books this week.

The children read about Polly Parrot in their primers. They made pictures of Polly. They wrote a group story.

"This is Polly. She is a bird. She is a pretty bird. Polly wanted breakfast. Tom gave Polly her breakfast."

### FIRST GRADE NEWS, SOUTH

Co-operative group story: Roger Meyer has a new baby brother. He came on Monday.

We made a radio for our playhouse. Warren painted it green and brown and red. We played radio. Gene was the announcer. Some girls and boys sang. The others listened.

### THE STORY OF LUCKY

Lucky is an Eskimo boy. Lucky and his father carve dogs and sledges out of bone and ivory. The father has many dogs. The dogs pull the sledges. Lucky's father goes hunting for whales and seals.

David Bird,

### FIFTH GRADE BOOK REPORTS

The fifth grade of the North school are making picture reports on various books.

Miss Sodi is hanging them up on the blackboard. Harriet Bartholomew made a castle. Edward Lu bring made a picture of Gay-Nack. Nancy Kumber made Hitty, and Betty Lou Wilson made the Magic Doll of Roumania.

The pictures are all very interesting.

## Hold Services For Relative Of Arlington Residents

Funeral services for John Froelich, 85 years old, father of Mrs. Louise Peeters of Arlington Heights were held Tuesday from Chicago.

He had been a resident of Chicago for 67 years. Born near the city of Prague, Austria, on November 17, 1853, he came to this country at the age of 18 years and obtained employment on a farm in Plum Grove.

He later moved to Chicago where he was in business at Lake and Union Streets, and also near Ashland and Milwaukee Aves.

A widower for 18 years he leaves to mourn his loss four daughters, Mrs. Helen Dietz, Mrs. Emilie Baring of Reno, Nev., Mrs. Clara Boehm and Mrs. Louise Peeters of Arlington Heights, eleven grandchildren and ten great grandchildren.

Mr. Froelich often visited his daughter, Mrs. Peeters and family here and has many friends who will miss him.

## Catlow Theatre News

Paul Kelly gives Joe E. Brown a few lessons in the art of foreign newspaper corresponding in "It For A King," coming to the Catlow theatre for one day only on Friday.

Cast as rival news-gatherers, the two actors lead each other a merry chase all over France, with Kelly, the more experienced of the two, winning all honors until Brown learns the tricks and then adds a few of his own.

There may be all sorts of insidious propaganda directed against the old rocking-chair, but Ann Southern, lovely actress starred with Jack Haley, Mary Boland and Edward Everett Horton, in "Danger—Love At Work," will brave all jokes at her expense for the unparalleled comfort such chairs afford.

Discovering some time ago that she could rtlar better between scenes in a rocker than in one of the usual folding camp chairs, Miss Southern introduced Mary Boland to this innovation in off-stage comfort during the filming of the Twentieth Century-Fox comedy which comes to the Catlow Theatre on Saturday.

Now, the old rocking-chair has got them both.

To reserve the rockers for the respective occupants, a prop man had signs painted on the back of each, according to the regular Hollywood custom. These signs, however, read "Grandma Southern" and "Grandma Boland."

Grace Moore and Melvyn Douglas, the man who made Theodora wild, sing and swing their carefree way from glamorous Manhattan to the amorous Argentine in Columbia's new musical, "I'll Take Romance," which opens on Sunday for two days at the Catlow.

Grace is utterly madcapivating

## RED CROSS ISSUES APPEAL FOR FUNDS FOR CHINESE

An appeal for funds to be used for the relief of millions of suffering men, women and children in China was made today by James B. Forgan, chairman of the Chicago chapter, American Red Cross, who announced that at the suggestion of the President of the United States, chapters throughout the country were joining in the appeal.

"In appealing for this fund," Mr. Forgan said, "there is little need to emphasize appalling conditions existing around Shanghai and other pictured conditions as they exist."

He said that the good-will offering for the distressed Chinese civilians would be allocated to relief agencies and hospitals already existing, and that the American Advisory committee in China, composed of prominent American business men appointed by the American Ambassador, Nelson T. Johnson, would distribute the fund.

The fund will be sent to aid suffering Chinese who have been made homeless during the recent hostilities. It will go to feed the hun-

gry, to clothe and shelter the homeless, to provide medical care and to aid in curbing possible epidemics and plagues among the millions who have been driven from the cities and are wandering over the countryside, homeless and starving.

"The Red Cross has become an international symbol of mercy," Mr. Forgan concluded, "and there is great need for our cooperation at this time. I am sure that our appeal will meet with a generous response, and that we who live in such a fortunate land will assist the suffering and homeless thousands in China."

"Checks should be made payable to the China Relief Fund and sent through the local Red Cross unit to the Chicago Chapter, American Red Cross, 616 S. Michigan avenue, Chicago, Illinois."

## Bowling News

by HERB. HAMMERL

With the season two-thirds gone, it is still the Hamms out in front by three games. The Hamms have been leading most of the season, but Blatz is steadily pecking away at their lead and might strike at any time. At any rate the Blatz team won't give up, so you better tend to your knitting, Dixie.

On 1 and 2, Krause Market eked out two wins over the El Rand team. Irv. Kehe is still warm from last week and helped his average a bit with a nice 593 series. "Romo" got 570 for Krause's which won't hurt his average any. Bud Peter turned the lead back to Rox Boite for a week, and during these last 10 weeks of the season, there is going to be a mad scramble for the lead, because there are several bowlers right on the leader's heels.

On 3 and 4, Cafe took one game from the Hamms with a nice 1048 game. Henry Kehe was high with 625, and a 243 game which was also good for the dollar. Joe Brodman got 618 and Dixie came through with 607. Hamms totaled 2973 which is fair country bowling. Turf was "dog" with 578.

On 5 and 6 Blatz took two games from the Elevators. The scores on both sides were terrible, but we had a good time, thanks to Pete Neville. "Dix" and "Dat" at the alley, Pete Neville is going to Hollywood to make a picture. He is going to make his version of the Man on the Flying Trapeze. Alex Askof is going to go around with a petition to have alley removed from the building. Krause Market is going to do a lot

of practicing behind closed doors, preparing themselves for the A. B. C. tourney. The "Kingfish" sure likes his syrup and rinderwurst. That's O. K. Ray, we do to.

## "PERFECTION SALAD" AS IT'S MADE IN THE MOVIES

In that delightful new moving picture, "The Bride Wakes Up," you see how Perfection Salad is made. Really, it is easy—and the principal thing to remember is to use plain Knox Sparkling Gelatine. A package makes four entirely different desserts or salads, six servings each.

**PERFECTION SALAD**  
(6 Servings—uses only 1/4 package)  
1 envelope Knox Sparkling Gelatine  
1/4 cup cold water 1 cup hot water 1/4 cup mild vinegar 1/4 cup sugar  
1 tablespoonful lemon juice 1/2 teaspoonful salt  
1/2 cup cabbage, finely shredded 1 cup celery, cut in small pieces

2 tablespoonfuls sweet red or green peppers  
Pour cold water in bowl and sprinkle gelatine on top of water. Add sugar, salt and hot water, and stir until dissolved. Add vinegar and lemon juice. Cool, and when mixture begins to stiffen, add remaining ingredients. Turn into mold that has been rinsed in cold water and chill. To serve, remove from mold to bed of lettuce leaves or endive, and garnish with mayonnaise dressing. Or cut salad in cubes, and serve in cases made of red or green peppers, or turn into individual molds lined with canned pimientos.

## Tuberculin Tests Given Free of Charge Upon Request

More than one hundred requests for tuberculin to be used in diagnosing tuberculosis have been received by the Chicago Tuberculosis Institute in response to their free distribution offer to local physicians. Institute officials disclosed today.

This service, inaugurated for the first time ten days ago, has been enthusiastically received by the physicians of Chicago and Cook county. This service was devised to make tuberculin skin testing a routine procedure among doctors. All requests are filled promptly and there is no charge whatsoever.

Each package sent to the doctor contains two vials of tuberculin of different strength, a return postal card for statistics and a brief on the technique and significance of the test.

Tuberculin is a pure protein derivative of the organism causing tuberculosis and is used as a diagnostic aid. It is free from living organism and causes no pain or discomfort. A small amount is injected into the skin of the forearm. If, after 48 hours, the injected area becomes red and slightly swollen, the test is regarded as a positive reaction. This means that the individual has been infected or in contact at some time with active tuberculosis.

Recently the Institute tested the school children of Barrington. Dr. J. Sanford Kruglik, of the Institute's medical staff, was in charge of the tests. Shortly, the Institute will launch a testing program among the young people of the National Youth Administration of Chicago.

## Farm Bureau Executive Finds Sales Tax Higher In Southern Trip

Mr. William Rengel, New Trier township, executive committeeman of the Cook County Farm Bureau, reports an interesting trip through the south and down into Old Mexico. Among the interesting highlights of the trip, Mr. Rengel reports that while passing through the state of Mississippi, he found the sales tax that we pay in the state of Illinois is a small item compared with the sales tax charged in that state.

While in Comal County, Texas, Mr. Rengel had an auto accident. He applied to the local county agent. After sending a wire to Chicago within two hours he had confirmation of his auto insurance. In a very short time he was able to get his car repaired, the accident adjusted and off on his way.

Mr. Rengel was particularly interested in conditions he found in Old Mexico. Instead of the dirt and filth that he had expected there, he found the country prepared to take care of tourists.

While stopping in Metamorin an official guide was appointed to assist them and a watchman took care of the car while Mr. Rengel and party of friends were visiting the city. The food was particularly good and served very cheaply. Mr. Rengel was present at a broadcast that was heard by his friends in Texas at the time. Mr. Nick Lichten of Glenview accompanied him.

## Farmer Finds Soil Conservation Is Good Farm Practice

Good farm management clicks with the agricultural conservation program all the way.

That is the opinion of J. V. Stevenson, Streator, LaSalle county farmer, as expressed by him in an address before Farm and Home Week visitors at the College of Agriculture, University of Illinois.

Since 1934 I have gone the limit in participating in the AAA programs," he said. "To do so, I have never had to disrupt crop rotations or throw our farm plan out of balance. While I can not lay claim to the most productive farm in the locality, my father has said that it is producing twice the yield of crops that it did 40 years ago."

"Some of the historical bases, the only ones available in the first adjustment programs so hurriedly conceived and put into operation during the emergency period, can not be justified in any long-time adjustment program," he continued. "It is unfair to buy participation of the one-crop farmer by giving him a high base at the expense of the man who has been conserving his soil."

"In this respect the program for 1938 marks a big step forward with its plans to establish goals and limits on the basis of good soil management. To this end every piece of farm land in Illinois is being appraised by local committeemen or their representatives as to the four factors of slope, erosion, inherent productivity and present productivity."

Without realizing it, farmers who participate in the AAA programs are being trained in some of the fundamental principles of good farm management that have been taught by the College of Agriculture for a quarter of a century or more."

## Farm Advisor Hughes To Hear Plans For 1938 Soil Conservation

Farm Advisor Hughes and representatives of the Cook County Agricultural Conservation committee plan to leave February 11 for Geneva, where they will attend a district meeting to learn details of the 1938 farm program.

Discussions at the district meeting will center around details of the program for this year, procedure to be followed in county offices and procedure for holding community meetings to explain the program.

The district meeting, one of 18 to be held throughout the state, will be in charge of representatives of the state agricultural conservation committee.

In addition to Farm Advisor Hughes, those who plan to attend are Chas. N. Glover, Asst. Adviser, Alb. Landmeier, president of the association, Carl Bornet, Warren Macaulay, Laura Ganzer, and Arnold Freise.

Marriage Licenses Robert C. Katus, 26, Chicago, and Winifred Lamb, 18, Arlington Heights; Alfred C. Moehling, 24, Arlington Heights; and Eleanor Fluger, 21, Bensenville; William F. Thies, 25, Mundelein, and Vernetta Wiehrdt, 20, Palatine.

3. Appears for license, three days later. "Elimination of the three-day law would require but one trip downtown."

## Cooking School

(Continued from page 1)

will have an equal chance to peer into the busy mixing bowl, watching the deft steps of measuring, creaming, sifting and thorough mixing, not overlooking the final work of baking, roasting, French frying or freezing.

For this is no half-hearted demonstration. Each delicious dish will be completed and shown with such realism that there are sure to be hungry "ohs" and "ahs" from the audience. If any stray husbands get into the theater, they are certain to ask: "When do we eat?"

Troubled by left-overs? Haunted by never-ending jobs? Tired of housework that seems like drudgery?

The cure: New wrinkles will smooth the brow of the weary housekeeper; that is, new house-keeping wrinkles leading to economy in time, effort and dollars.

Not only does this picture school show new dishes, styles and interesting ways to serve everyday meals and party feasts, but it demonstrates how to make intelligent use of the ingenious mechanical servants that take the guess work out of housework.

To the fun of watching an expert cook at work in a model kitchen is added the real joy of studying the practical possibilities of such full-time servants as an electric refrigerator, a smartly-styled range, and other cooking accessories and convenient laundry equipment, designed to take the gloom out of Monday.

There is nothing formal and "upstage" about this screen Cooking School. Informality, hospitality and neighborly welcome are joined in the picture, meaning that a good time will be had by all, as the saying goes.

What about recipes? Naturally every guest of Paddock Publications will want to test these tantalizing recipes for menu monotony. Free recipe sheets will be distributed daily. And other things will be given away—valuable gifts that will find long and useful life in many a home.

Guests at the school will want to meet and remember the friendly local firms and nationally-known products that are helping the Paddock Publications in this community undertaking.

"Does your house run you? If so, why not accept the Paddock Publications' invitation to join the neighborhood Cooking School party, starting at 1:30, February 9 in Arlington Theatre."

## Mr. and Mrs. G. Busse Leave For California

## Power of Prayer Cited By Dr. Walter A. Maier

Our age suffers from a prejudice against prayer, Dr. Walter A. Maier declared Sunday in his coast-to-coast Lutheran Hour broadcast. He added that there are fewer and shorter prayers in many churches, a decline of family devotion in the home, and an organized anti-prayer program in certain circles of the "intelligentsia" that seeks to discredit prayer as "destructive to self-reliance and conducive to superstition."

Dr. Maier asserted "no age should be more ready to accept the proved power of intercession and belief that God can and does answer all prayer harmonious with his divine requirement, than this generation which is seeing the introduction to wireless and radio, and the beginning of widespread research on telepathy. No fact of inner experience is more strongly attested and more widely indorsed than the fact that God answers prayer."

"Daily prayer is worth more than a post graduate course in applied ethics and contributes greater stimulus to practical happiness than a doctor's degree. Only a praying church can be a prevailing church, and one of the great and neglected tasks before American church bodies is to meet the divine requirement: 'My house shall be a house of prayer' to teach people how to pray fervent, personal petitions."

## Files Suit For Death Of Pedestrian

The Trust Company of Chicago, administrator of the estate of the late Joseph Sobitka, has filed suit in circuit court against Leonard Hoffman for \$10,000 damages for causing Sobitka's death with an automobile May 3, last year on Skokie road at Winnetka avenue, in Northfield township. It is claimed in the declaration that Sobitka was standing on the shoulder of the road when the auto ran off the road and killed him.

## START YOUR CHICKS RIGHT WITH LINDNER'S CHICK STARTER

Mixed of the highest quality ingredients according to a well-balanced formula that has proven highly successful in raising chicks, this Starter assures you of very satisfactory results. This Starter compares favorably with the best starters on the market, yet is considerably lower in price. When you get your chicks be sure to start them on LINDNER'S CHICK STARTER.

Your flock needs LINDNER'S EGG MASH for better egg production. This mash contains Cod Liver Oil, Meat Scraps, Bone Meal, Dried Milk, Oil Meals, and all the other ingredients necessary for the health and production of your flock. If you have your own ground grain be sure to try our LINDNER'S EGG MASH CONCENTRATE. Mix this Concentrate with your own grain for a well-balanced Egg Mash at a real saving to you.

Be sure to feed LINDNER'S 16% DAIRY FEED or LINDNER'S 32% DAIRY SUPPLEMENT. Cows like it and results are surprising.

We have a complete line of feed. Phone us for prices when in need.

## IMPROVE YOUR HERD

Get rid of the boarders. Improvement of the herd can best be made by replacing the discards with well bred home reared heifers of greater productive capacity. Another important reason for rearing the heifer is that it is much easier to keep the herd free from tuberculosis, etc. Your milk check need not be reduced while raising them if you use

## Pirates Whip Cardinals

Biggest Setback  
Of Palatine, Arlington  
Basketball History

Palatine crushed Arlington under two of their worst defeats of the season Friday night when the precedent of close games was definitely broken. The Pirates heavyweights handed the Cardinals a 42-20 setback which was the most one-sided count in the long rivalry between the schools. The Lightweights made their game a run-away 35-16.

In both games Arlington took a first quarter lead, Palatine rallied to gain a slight half time advantage, and then the Pirates swamped the visitors under a deluge of baskets in the second half.

O'Brien led the Palatine attack with 16 points on five field goals and six out of six free throws. Mayerck was high for Arlington, scoring 12 points for more than half the visitors' total. Haemker scored 11 and Nangle eight for Palatine. Golden played an unusually brilliant game at guard for the Pirates.

The heavyweight game started with Arlington pulling into a 7-3 lead in the first period on baskets by Mayerck and H. Mueller. O'Brien and Haemker scored six points apiece in the second period while Mayerck duplicated his first quarter record of five. The half time count was 17-15 Palatine.

The Pirates pulled away in the third period to a lead of 26-17, but the real rout came in the last quarter when Nangle hit for seven points and Palatine outscored Arlington 16-3. The Pirates made 25 points to Arlington's five in the last half, most of which were counted on a fast break from intercepted passes.

Palatine made 13 goals out of 45 shots for 29 percent. Arlington had eight out of 51 for 15.7 percent. Palatine was especially hot at the free throw line with 16 out of 24 while the Cards were way off with four out of 19. Arlington happened to meet Palatine when they were coming out of a slump and for once at least, the crowd could be calm at the finish.

## Karstens To Meet Old Rivals, Wheaton Y; Alums Play Westmont

by CHARLES O'HAGAN

Beg Your Pardon

Arlington Alumni were announced last week as host to a Waukegan five, the Kotz Zephyrs. For some unknown reason the Zephyrs chose to call the game off, but not until the announcement had been made in this paper.

Karstens Morticians will meet their old rivals, the Wheaton Y. Girls next Wednesday, February 9, at the high school gym.

In two previous games Wheaton has emerged victorious, last time by a five point margin. Since that time the girls have hit the victory trail with a vengeance, so it bodes ill for the Wheaton team. Incidentally if the girls can succeed in defeating their previous conquerors, along with current opponents, they will complete their most successful season in history.

Last week the girls defeated Cary 27-22, their second victory over them, and their fourth victory out of the last five games.

Captain Diederich led her team in scoring with 7 baskets. She was ably assisted by Betty Geiske, Ester Kastning and Josie Brodman. Boyles and Weinrich stood out on defense. The passing of the team as a whole was off, in comparison to game of the previous week.

Arlington Alumni will meet a newcomer to their schedule in Westmont, Ill. Cary Merchants were defeated 49 to 32 last week.

Weisgerber, with the able assistance of his co-workers, walked off with scoring honors, making 21 points, bringing his season's total to 77 points. Next week we will give more statistics on some of the boys.

## Palatine Lights Last Half Spurt Overcomes Green Tornado Hopes

Arlington led 5-3 the first period in the lightweight game. Palatine missed all 15 shots in the initial quarter, but came back strong with good passing and hard driving to pile up a lead of 17-11 at the half. The little Pirates played their best ball of the game starting the third period when fast breaking and good passing brought five baskets in quick succession on shots by Hahnfeldt, Stewart, Snyder, Rennack and Smith.

Palatine had the game sewed up with a third period lead of 28-12, but Snyder scored six points more for good measure in the last quarter to give Palatine their highest total of the season. Palatine used eight boys in the game and five of them were freshmen. Snyder topped the scorers with 11.

Palatine lights made 13 baskets out of 53 shots while Arlington scored five out of 29. The Arlington boys put up a game fight all the way and Palatine had to play mighty good ball to get their points.

# arren, Grant Split; ights Win Fifth Seven Starts

Warren, Grant Split; Lights Win Fifth In Seven Starts

Warren was hitting the basket in fine style as they took Grant into camp Friday 36-23. J. McCann scored 15 points to lead Warren's attack. The Blue Devils led 20-14 at the half and 30-20 at the three quarter mark.

Warren made 12 field goals, 12 out of 19 free throws and was charged with 24 fouls. Grant made six baskets, 11 out of 28 free throws and committed 17 fouls.

Mielke with 11 points and Grant with seven, were tops for Grant. Burleigh, Dufault, and Ambacher of Grant and Goetz, Zimmerman, and Book of Warren were ejected from the game on fouls.

Grant's lights won their fifth in seven starts 23-20 in a close game. Koch, one of the high scorers among lightweights of the conference led the attack for Grant with 11 points. Nelson of Warren scored six. Grant was ahead 8-5 at the half.

## WE STOP PRESS!

As the last form was being placed upon the press, somebody remembered that there was a bowling match last Friday night between Fred Fuller's printers and the Cook County Herald, the former winning by about 200 pins.

We have stopped the press to get in this item. If any of our readers are interested in the details we can only refer you to this week's Des Plaines Suburban Times which probably carries a scare head on the matter.

Word of the match games between the Des Plaines and Arlington Heights printers has reached LaGrange and a challenge from the Citizen of that town has been received. They write, "We don't care which team of you fellows we beat, but either one of you is our meat."

## Bensenville Scares Ela; Loses By Close 27-22 Margin

Bensenville lost both games of a double header at Lake Zurich Friday when Ela won a couple of close contests. Leuthesser again pulled his team out of possible defeat with a great exhibition in the heavyweight game which was won 27-22. Bensenville's last period rally in the lightweight game fell short and they lost 21-17.

Bensenville took an early lead in the heavyweight game, but Ela rallied to lead 11-9 at the half. Ela increased their lead in the third period, but Bensenville's offense clicked again in the closing minutes to narrow the margin. Leuthesser and Schroeder scored six points apiece for the winners.

Ela led 9-6 at the half

Gin and gas do not mix. Even if each is in a separate container, the two are bad company.

I have no sympathy nor mercy for a drunken auto driver. The laws governing this type of convicted criminal are too lenient. Judges should enforce what laws we do have to the limit. The killing of innocent citizens by drunken drivers should not be permitted. But the question should not be when is a man drunk? A man who has had only one drink cannot have the same judgment or control that he would have without the liquor. I can see no plausible argument for his defense; it is dangerous to allow him to drive. It seems hard
